Patriot Express

To support the entrepreneur segment of the Nation's military community (including spouses), SBA has developed and implemented a comprehensive new strategy designed to effectively integrate and promote SBA's financing, procurement and entrepreneurial development programs to the military community. The cornerstone of this strategy is the new 7(a) Patriot Express Pilot Loan Initiative, which was established on May 14, 2007, and will continue as a pilot initiative until December 31, 2010.

District Director Andrew Poepoe introduced Patriot Express at our SBA Mixed Plate Workshop at Kapolei Hale on June 14th—Flag Day. The concept was well received by the 45 Mixed Plate workshop attendees and 20 lenders participating in SBA 201 training conducted in parallel with the Mixed Plate Workshop.

With military activations and extensions having a profound impact on entrepreneurs in the military community, the Agency feels that Patriot Express will be an effective tool to assist veterans, Reservists and members of the National Guard rebuild their businesses or to start new businesses in order to provide themselves and their families with a livelihood after their service is done. More than 14% of businesses in America are owned by veterans and SBA is proud that we guarantee more than \$1 billion annually in loans for veteran owned businesses.

The program is open to businesses that meet SBA's standard eligibility requirements and that are 51% or more owned by an individual or individuals who are veterans, service disabled veterans, active duty military service member participating in the military's Transition Assistance Program (which is applicable to potential retirees within 24 months of separation and to discharging Active Duty members within 12 months of discharge), Reservists and National Guard members, current spouse of those listed above, and widowed spouse of a service member who died while in service or widowed spouse of a veteran who died of a service connected disability.

The maximum loan size is \$500,000. Lenders must use their existing, prudent collateral practices for Patriot Express loans of \$350,000 or less, but must take available collateral for loans greater than \$350,000.

The District feels that it will be an excellent tool to support our marketing and outreach efforts. If you desire training on Patriot Express, please feel free to call Jerry M. Hirata at (808) 541-2990 ext 210.
